

Qualideck® Polyurethane Outperforms Epoxies

APT QUALIDECK® SYSTEM BENEFITS OVER COMPETING EPOXY SYSTEMS

- Proprietary urethane technology
- Industry-leading flexibility and elongation
- Superior aggregate retention
- Unparalleled abrasion resistance
- 2.5x stronger
- Longer life cycle
- More consistent wear
- Complete system passes ASTM C957 Crack Bridging tests
- Costs 25% less than comparable epoxy systems

AGGREGATE RETENTION

**Independent lab study conducted 8/14. Contact your Qualideck Representative for details.*
